We are growing!

As we have again been substantially 'over-subscribed' this year for parents seeking places for their children for September, we have taken the decision to expand to four classes. In all we will be taking 22 children in September. A further 21 children remain on our waiting list, but taking all of them was not possible. This move will also result in smaller class sizes and only two year groups per class, something which we feel will allow us to more personally meet children's needs.

Easter Fun Night

Once again, some fantastic support from our parents ensured an enjoyable night for our children. Organised by our Pupil-Parent Council and supported by many others who offered to lend a hand, the evening proved a real success.

We raised over £300 Giant Easter Egg Raffle

Many thanks again to our 3 parents (and Grandparent) who so kindly donated chocolate Easter Eggs to raffle, in aid of our Pupil-Parent Council. The winner of the (very) large Thornton's Easter Egg was Mrs Lister but I'm sure Harriet and Toby will 'help out'.

Lots of children made a huge effort this week to produce some amazing egg creations - all were rewarded with....more chocolate.

Can you help out?

Liam Tennant (Dad of Maisy in Reception) is tackling the Blackpool Half marathon on 24th April in order to raise money for our ipads - very generous.

You can support Liam and us on:

www.crowdfunding.justgiving.com/liam-tennant

...good luck Liam!

Just a reminder that parents evenings will be held on Wednesday April 20th and Thursday April 21st.

Details of how to 'sign up; for a slot will be given as soon as we return from the Easter break.

Break in - an update

9 laptops were stolen last week during the break in and some damage to doors and windows. It felt nice to get back to normal on Friday.

I would like to extend our thanks to the Black Bull in Sutton. Landlady Denise popped in with £120 which she had raised at the pub last weekend. Denise had heard about our break in and wanted to help.

In addition, without exception, every single one of our parents was fantastic when they heard our bad news - some even offering to come and help us clean up. Then, the staff at Sutton CP sent us some cakes. What an amazing community we live and work in - thank you!

School re-opens on Tues. 12th

£98 was raised by you and the children for Sports Relief - a very worthy cause, well done!

The Easter story - re-created in Lego, by Oak Class!
