– changing your mind about food choices

After-half term we will require *two weeks' notice* for any changes to menu choices for your child. Whereas we want to adopt as flexible approach as possible, some children are changing from their original 'school dinner' choice to a packed lunch on a daily basis. Clearly, there is a cost implication for the school, as we now incur any costs for uneaten food. Thank you

Can you help?

Do you have some spare time and would like to come and help?

In school we would dearly love to hear every child read every day – but it's really hard.

Hearing children read in school is always a great way to help the children and the school.

...if you can help, speak to your child's Classteacher about what you could offer.

Pupil – Parent Council

Thank you to those of you who joined us for our meeting last Thursday.

The Council have produced minutes of the meeting and these are now on our website under the 'Pupil-Parent Council' tab at the top of the page.

In addition, Kyra Bowles, the Council's new Secretary, will be keeping you up to date with mini newsletters.

The children and parents had some good ideas for fundraising...watch our for Adam's Bacon Butty shop this year!

We are raising money this year so that we can buy 30 ipads for the school. We are feeling a little behind the times at Sutton CE and aim to keep up with the latest Apps and software available for supporting learning. This will cost about £7000, and the Council has offered to support us in raising this amount. This is what the cake stalls, sponsored walk, Christmas Fair and other events will all be in aid of this year.

In addition the Pupil-Parent Council agreed that funds raised would also continue to be used to subsidise class trips, meaning everyone benefits from reduced costs.

Thank you to all of you who continue to support the school in getting involved in these 'extra' school events.

Cashless payments

Just a reminder that we will no longer be accepting cash payments for dinners, clubs, Bobbins etc from January 4th 2016 – all payments will be taken through ParentPay.

If you ever need any help with using your ParentPay account, just call the office.

Olympic Swimmer, Joe Roebuck visited our school for the afternoon on Tuesday. The children (and staff) got very active and enjoyed hearing about Joe's medals, diet and daily 6 mile swims – a real inspiration!

Half of the money raised from this sponsored event will go to school, in order for us to buy a Dodgeball set. The other half will go to a charity which provides sport for disadvantaged children in inner cities.

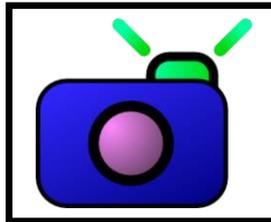

Blossom Class this week enjoyed the soup which they had made – with vegetables grown in our school garden.

School Photographs

As is usual at this time of year, Adventure Photography will be in school on **Tuesday 13th October**, in the afternoon, to take individual and family photographs. Parents wishing to bring children, who are not in school, are asked to come in for 1.15pm.

Your child will bring home a proof and order form on the day. If you wish to order a photograph, please return all paperwork to the school office as soon as possible.

Inter-School Cross Country at South Craven School

Whereas there were no medals for Sutton CE on this occasion, I was extremely proud of all of them. The distance the children ran was impressive, often competing with over 30 children from other schools. One thing that really stood out was the perseverance of our pupils – they just keep going, even when things are really tough.

All children did us proud and enjoyed them, and to those parents who came to support the children.
