13th October 2017

Dear Parents or Carers

RE: Awards for All Funding

Further to an application for Awards for All Big Lottery funding to enable us to provide an outdoor learning classroom on our playground, I am delighted to inform you that we have been successful in our bid for £10,000.

By developing this area, we aim to increase the opportunities for active social play and enable children to spend more time outdoors to benefit from the fresh air and the space to move and express themselves. The area will be engaging and fun and will now provide opportunities to enable children to develop their communicative and social skills.

Playforce will be installing our shelter, along with benching and a large planter, during the half term holidays. The shelter itself will be delivered to school on the last day of term (Friday 20th October) I have requested that dropping off and picking up times are avoided when our delivery arrives. Plans for this are in the office if you would like to see them.

The grant has funded:

- Octagonal Shelter with Timber Roof and 6 benches, Whiteboard panel with 0.45mH timber infill panel, 2 x chalkboard panels with 0.45mH timber infill panels, 4 x 1mH timber infill panels & 5 x Detachable Roll Down Infill Panel with Clear Window
- 3 x Fun Grow Seating Planter
- Self-Select Store
- 2m Perch Bench

The Big Lottery Fund distributes half of the National Lottery good cause funding across the UK. The Fund aims to enable others to make real improvements to communities and the lives of people most in need. The outdoor environment is vital to develop healthy active lifestyles this funding will enable us, to exploit our children's full potential, by maximising their exposure to recreational and explorative play.

Yours sincerely

Mrs Angela Hayton
School Business Manager
