9<sup>th</sup> January 2017

Dear Parents/Carers,

## **School Meals Census**

As you will be aware, the Government's Universal Free School Meals initiative means that a hot meal is available to every child in Reception to Year 2 at no cost - and the vast majority of our children enjoy a delicious lunch together every day.

This service is monitored by the Government by way of a School Meals' Census which, this year, will be held on Thursday, 19<sup>th</sup> January. On this day, we must record the number of children who have a Universal Free School Meal. This number is then used to determine the amount of funding the school receives towards running the school meals' service: the more children taking a school lunch, the more funding we will receive.

*It is very important, therefore, that as many of our children as possible have school meals on this day.*

If you would like your child to have a special 'Census Day' lunch on the 19<sup>th</sup>, please return their menu choice on the reply slip overleaf.

Many thanks,

Mrs Angela Hayton  
School Administrator
