

## Minutes - Sutton in Craven C of E - Pupil Parent Council Meeting

12<sup>th</sup> March 2019 at 7:30pm at the Kings Arms

**In Attendance:** Angela Hayton, Amy Chacksfield, Becky Thomas, Jenny Hey, Gayle King and Hazel Spencer

**Apologies:** Mrs Herbert, Sophie Spurr

### Valentines Disco and Craft Evening

Feedback from PPC:

it was a great success and a lovely treat for the children

It was great to have Katie from Tots to Teens all agreed that she kept the children entertained and we would ask her to host the next disco.

Also that if younger siblings (who are not in the school) that wish to attend the disco they can do if their parent stays and helps and they must buy a ticket for them.

Ticket sales for the disco were £237.50 and the only expenses were the DJ at £145.00.

Thanks to all the Volunteers who helped and donated the decorations and snacks.

### Christmas Shopping Evening

While this is a great event and generates profit for the school there is a big time commitment from volunteers who run this in terms of advertising, contact with stallholders, setting up the classrooms, organising the refreshments etc so it was decided that we would not run this in 2019.

Instead run another evening aimed at adults only to generate PPC funds and open to people outside of the school where we would also sell tickets for the Christmas Raffle.

Ideas discussed included:

- Gin Night
- Race Night
- Curry Night (could ask Hannah the school cook)
- Family Quiz Night

Or a combination of the above!

We discussed that we could hold this either in school or at the village hall, we could have a bar or ask people to bring their own drink.

We discussed that a sponsor like Barclays may offer matched funding for the event.

### Financial Overview

- We have purchased lovely new cushions and rugs for the school library following the flood. This provides a comfortable environment for the children.
- Re the school laptops it appears that they may not need replacing yet as there has been some other technical/server issues within school that is causing problems.
- It was felt that the gym mats were not currently financially viable, even the sample pack was very expensive and the school mats have only recently been replaced.

### Mother's Day Event – Afternoon Tea 25.3.19

The school council have kindly arranged this and offered to run this event – Mrs Hayton noted any help from the Parent Council would be welcome but not necessary.

### The Next PPC Event – the PJ & DVD Evening 9.4.19

- This will start at 5:30pm so children can go straight from Bobbins to the hall.
- The finish time will be 7:30pm
- It was agreed the film we would show will be the Greatest Showman!
- Pizza, Popcorn and juice will be served
- Tickets will be £3 per child again, to be purchased in advance inclusive of the pizza, popcorn and juice.
- Volunteers needed to help make the event a success
- We are going to ask local supermarkets to see if we can get the pizzas donated (approx. 30 needed) or ask local takeaway Vujon for a reduced rate on having them delivered to school!
- A letter will be sent this week.

### Used School Uniform / Pop up shop

- Hazel to draft a letter to send to parents advising of the initiative and to welcome donations of used school uniform
- Members of the PPC have volunteered to sort and wash this
- A pop up shop selling the used uniform will be set up in the school hall on Weds the 10<sup>th</sup> April after school pick up at 3:20pm
- Will possibly sell the uniform via a school facebook shop
- Profits made from this will go to the school PPC

Next Meeting: Catch up before the PJ DVD evening and Uniform Pop up sale – **Weds 3<sup>rd</sup> April at 2:30pm.**
