Newsletter 15th June 2018

For those of you I haven't seen yet, I hope you had a lovely half term, although it may seem a distant memory! We have lots going on this term and so I have put the diary dates on this newsletter as a reminder – please do check carefully. Thank you to everybody who attended/helped run our Father's Day event this afternoon, I am sorry I couldn't be there and look forward to hearing about it from the children.

Kind regards, Mrs Herbert

 The Christian value we are focussing 
on this half term is **SERVICE**.

“There is more happiness in giving than receiving”
(Acts 20:35)

Jesus was called the ‘servant king’; his mission was to serve God and to serve all those people he met, through his teaching, his example and the way he led his life.

If you would like to explore this value at home with your child, you could talk together about:

Who are the unsung heroes who serve us? How do you serve others?

- at school
- at home
- in our clubs

Pupil-Parent Council

The next meeting of the pupil-parent council will be:

Tuesday 26th June at 9am

We will be finalising the planning for our Summer Fair – all are welcome to come along.

Summer Fair

Thursday 12th July, after school

We need your help! Events such as this can't run without the support of parents. If you can spare some time to run a stall we would be very grateful, there is a sign-up sheet in the school office.

Staffing Updates

Following my previous notice that Mrs Hayton was going to be reducing her hours with us, I am happy to announce that we will be joined shortly by Mrs Chacksfield. Mrs Chacksfield will be looking after the office on a Wednesday, Thursday and Friday, and I am sure you will join me in welcoming her to the school. Please do bear with us whilst we are in the transition period.

In other sad news for us (but exciting news for them!), Miss Bell and Mrs Fuller will be leaving us at the end of the Summer term. Both Miss Bell and Mrs Fuller work with us as Higher Level Teaching Assistants and both have secured teaching posts from September – this is fantastic news and we wish them well in their new schools. Sadly, Mrs Phelps has also decided to step back from her role as a Midday Supervisor to look for new challenges.

We have also been busy recruiting new teaching assistants and information regarding these appointments will follow.

**** Building ****

We are having a new boiler installed which will help us be more energy efficient. NYCC/Clarkes will be starting work on this on the 25th June and they are expecting works to take approximately 3 weeks.

There will be restricted access through the double gates at the front of school during this work but you will still be able to access the main reception through the single gate.

Thank you for your patience.
