Newsletter 27th April 2018

The Christian value we are focussing on this half term is **THANKFULNESS**.

'Count your blessings' is an old saying, but it reminds us to be thankful and not take things for granted.

If you would like to explore this value at home with your child, you could talk together about:

- Remembering to let other people know when you are thankful
- Not taking things for granted
- Practical ways of showing gratitude
- How it feels when someone thanks you!
- Thank you chain. Think about how an everyday item reaches you: Where does it come from? Who was involved in making it? Who should you thank?

I know that many people in the village are thankful to Isabelle and her friends, who have been taking part in litter picks to help spring clean the village. Well done!

Pupil-Parent Council Meeting

Monday 30th April
2.15pm at school

We will be planning our remaining events for the Summer terms – all are welcome to come along.

Class Assemblies

Wednesday 9th May – Willow
Wednesday 13th June – Oak
Wednesday 27th June - Birch

Parents of children in each class are invited to join us after morning registration to find out what they have been up to in class.

Health Related Behaviour Questionnaire

Over the course of this half term, all children in Years 2, 3, 5 and 6 will be taking part in this biennial survey. This important survey gives us information about the lifestyles and learning of children and young people and influences school, county and locality planning and evaluation of provision.

Please take the time to read the separate letter which has been sent through Parent Pay.

Class Information

Class newsletters and information about what each class will be learning this term have been published on the website – please do take a look.

Thank you to Joan Hartley of Crabtree Print who has donated some stationery items to school.

Thank you for supporting our fundraising day for a local nine year old girl who has a brain tumour.

We raised an amazing £132

Parking – please help us!

We have been contacted by Yorkshire Housing regarding Spinningfields – Greenroyd Mill. I have been asked to remind all parents that the car park at Spinningfields is private property and that it is not permitted to use it as a waiting area. As I am sure you appreciate, this causes difficulties between tenants and parents when tenants return home to find people waiting for their children parked up in an allocated space.

Our relationships with the local community are important to us and we hope you will support us with these by not parking in the car park at Spinningfields.
