Pupil-Parent Council News

Thanks to all those who came along to our meeting on Friday 20th October at which we discussed the plans for the Christmas Shopping Evening and Christmas Fair.

The support of the pupil-parent council is invaluable to the school and the work that we do. The money that the council raised last year is going to be used to enhance our playground equipment. We are looking at replacing the existing trim-trail, which is in need of repair, and developing this outdoor space with new equipment. We are currently waiting for the quotes and proposals to come through and then these will be taken to the School Council to gather the views of the children.

Christmas Shopping Event – Wednesday 29th November 2017 7pm – 9pm

Plans are really coming together for the Christmas shopping event and a number of stallholders have already booked places. This year, in order to try and have a range of stalls, we are trialling only having one of each type of stall. We are currently looking for stallholders that sell: Christmas cakes, children's clothes and toys, sweets, babywear or jams and chutneys. If you know of somebody who would like a stall please ask them to contact the school office.

** SAVE THE DATE ** Christmas Fair – Saturday 9th December 2017 11am – 1pm

We will be holding a non-uniform day on Friday 1st December – with the request for children to bring in something for the fair. More details to follow.

Next meeting Friday 10th November, 2.15pm – All welcome.

Thank you for supporting 'Let's all wear it Pink or Blue'!
We raised £127.

New Shelter

I'm sure you have all seen the lovely new shelter which was installed over the half term holiday. We also had three new planters and a bench installed. Thank you to Mrs Hayton for her hard work in securing the funding and making the arrangements for the installation.

Please can you support us in keeping the children safe by not allowing them to stand on the edge of the planters at the beginning and end of the school day.

Thank you for your support with this.

Your Views Matter to us

We are proud of everything we achieve at school but we know that there are things we could do better.

Please look out for the parent questionnaire which will be coming out shortly. If you could complete and return this I would be grateful.
