Newsletter 26th October 2018

Dear Parents,

We have reached the end of the first half term and it has once again been a busy one. It was particularly lovely to share our Harvest service with so many parents and grandparents.

It has been a bit of a different week in school this week as we have had an enrichment week based on our Christian value for this term. Our children have taken part in various activities linked to respect, have had visitors and have been out both in the village and further afield (did you hear the shout out on Stray FM?). One of the highlights for me this week has been having almost 60 children trained in administering CPR. Feedback from the people we have worked with across this week has been very positive and they have all commented on what lovely children we have.

On my last newsletter I made a plea for help about the start of school, now I need make one about the end of the day... Please can we ask that once your children have been released to you that you leave the playground as soon as possible, this will help us ease congestion at the end of the day and will support us in making sure all children have been safely handed over to their parents. Please can we also ask that you do not let your children play football or other games on the playground as we have been informed that we are not covered under our insurance if an accident were to happen.

Have a lovely half term and we look forward to seeing you again on Monday 5th November. Kind regards, Mrs Herbert

On Friday 9th November at 10.50am we will join together with children and staff from Sutton CP and Glusburn Primary Schools for our annual remembrance service in Sutton Park.

We will be talking about the meaning of Remembrance Sunday in school. Poppies and other items to support the work of the Royal British Legion are available in school – please see the second page of the newsletter for more details.
