Newsletter 1<sup>st</sup> December 2017

Things have continued to be very busy in school over the past two weeks! Our 'How many spots can you wear?' competition was taken very seriously – thank you to the school council for organising this to raise money for Children in Need. The Christmas shopping evening was successful and raised funds for the work of the pupil-parent council. The pupil-parent council are now busy finalising plans for the school Christmas Fair.

We have many events planned for the coming weeks – please check the diary dates carefully. Rehearsals are well underway for our Nativity performance. If you have a child in Blossom or Willow, you should have received a letter regarding tickets. If you have not received this letter then please let us know as soon as possible. All children should also have received a letter about the school Christmas dinner on Thursday 21<sup>st</sup> December – please can this be returned by Friday 8<sup>th</sup> December if you would like to order a dinner on that day.

Kind regards,  
Mrs Herbert

### Cold Weather

The weather has definitely got colder over the past few weeks. Whilst we aim to stay open whenever it is safe to do so, in the event of school having to close due to snow, parents will be informed via a 'ParentPay' message. We will also post a message on the school website and contact Stray FM. We aim to make the decision as early as possible.

### Oak Class – Grow a Pound

For their project this half term Oak class have been encouraged to 'Grow a Pound'. Each child has been given a pound and they have to use this to raise money. A project like this is crucial for developing children's wider skills – money management, organisation, independence, resilience. As you will have seen already, some children are running stalls at the Christmas Fair and some are running other activities. There is absolutely no obligation to support their projects but please do if you feel able to.
