

Literacy

- Recount writing.
- Writing a newspaper report.
- Stories about Yetis.
- Spelling, Punctuation and Grammar (SPAG).
- Handwriting.

Maths

- Use efficient mental and written methods for multiplication and division.
- Solve real life problems involving more than one step.
- Measure the perimeter of simple 2-D shapes
- Measure, compare, add and subtract: lengths (m/cm/mm)
- Recognise and show, using diagrams, families of common equivalent fractions
- Recognise and write decimal equivalents of any number of tenths or hundreds
- Count up and down in tenths and hundredths.
- Add and subtract fractions with the same denominator.
- Multiply and divide numbers by 10, 100.

Science

Sound

- Identify how sounds are made, associating some of them with something vibrating.
- Recognise that vibrations from sounds travel through a medium to the ear.
- Find patterns between the pitch of a sound and features of the object that produced it.
- Recognise that sounds get fainter as the distance from the source increases.

Electricity

- Identify common appliances that run on electricity.
- Construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers.
- Identify whether or not a lamp will light in a simple series circuit, based on whether or not the lamp is part of a complete loop with a battery.
- Recognise that a switch opens and closes a circuit and associate this with whether or not a lamp lights in a simple series circuit.
- Recognise some common conductors and insulators, and associate metals with being good conductors.

RE

- Salvation and Gospel.
- Sikhism: beliefs.

Marvellous Mountains Spring Term 2018/19 Year 3 & 4

DT and Art

French Art - children will learn about the French artists Monet, Cezanne and Turner.

Construction - children will learn about how mountains are formed and create a mountain of their own.

PSHCE

- Me and my future.
- My healthy lifestyle.

History and Geography

Mountains-

- Develop mapping skills, knowledge and understanding of geographical features of Mountains.
- To use the internet and reference books to find out about particular places and compare.
- To learn about traditions, similarities and differences in different countries.
- To learn about a mountainous region.

PE

Cricket skills - taught by Mrs Akroyd - Thursday, until half term.

Kwik cricket - taught by Mrs Akroyd - Tuesday, after half term.

Swimming - Craven Swimming Pool Skipton - Friday afternoons.

Computing

Computing will be linked into all areas of the curriculum - children will develop their skills in many areas including: word processing, spreadsheets, multimedia presentations, e-safety and programming.

Music

- Recorders - learning notes both written and positions on the instrument.
- Composing - creating melodies.

French

Les Animaux - pets and other animals.
