Year Planner 2018-19

Please find below a year planner with key dates for this year. We know how important it is to plan in advance, particularly if you need to ask for time off or arrange childcare for younger children – so we hope this will be useful to you! Inevitably, additional dates will be added as the year progresses and we will let you know of these as soon as we can. We do try very hard not to change published dates but unfortunately sometimes this is unavoidable, particularly when we are reliant on other schools/companies, if this is necessary we aim to give as much notice as possible.

Events in **red** are organised by South Craven School and, if applicable, further details will be given closer to the time.
