## Kitchen build

Work on our new kitchen starts over the half-term holidays. Although our contractors are very experienced at working in schools, we will have to be a little patient given the inevitable disruption this will cause. One of the results of the planned work is the lack of washing up facilities kitchen staff will have during this period. For this reason, throughout the next half-term children will be using *disposable* plates and bowls. There will also be no hot puddings during this time.

The planned works will result in a brand new kitchen in September so this seems a small price to pay and I thank you for your understanding on this. One benefit of having our new kitchen is the wider choice of menu we will be offering from September, including a daily jacket potato option in addition to the main 'dish of the day'.

## Friends of Sutton CE

Given its' small size, our school is very well supported by parents in its fundraising and help with events. However, we currently lack a chairperson for 'Friends'.

With this in mind, next half-term, I will be inviting parents to a meeting to discuss different options as to how we might all work together from September onwards.

I feel by sharing the workload between school and friends, we can ensure that the good will to support the school continues to benefit the children.

We have been officially recognised as a 'Fair Trade Aware' school. This recognises the work done by Mrs King, Mrs Baker and our School Council. We aim to gain full Fair Trade status next year.

## School Website.

We will be redesigning our school website over the coming months, to brighten it up and make it a little more user friendly.

If you feel that certain types of information or new WebPages would be useful, we would be delighted to hear any suggestions.

Pop a note in your child's planner or pass on your thoughts to me or Mrs Hayton.

We close today for the half-term break for one week. We return to school on **Monday 1<sup>st</sup> June**

## Sutton Funday 2015 Sunday 20<sup>th</sup> June

Our theme this year will be 'Where's Wally'  
...more details to follow.

## School Footwear

A reminder for September that all school footwear should be **black**.

## BIG Board Game Day

Thank you to all parents who joined us last Friday for fun and games...a great way to end the week.

### **Do we need a bike and scooter stand?**

I would like to gain some idea of interest in school installing a bike and scooter stand / shelter on the playground. It is difficult to estimate the level of use such an investment would get. A good shelter costs around £1200, plus installation costs. However, if we felt one would get good use, we would be more than happy to provide one, as we feel this supports our work on 'healthy lifestyles'.

Please help us to understand how much use a shelter would get by completing the questionnaire below. If this is something that your child would not use, then there is no need to respond. As ever, I will publish responses in our next newsletter.

**\*Please delete as appropriate.**

- i.) My child would use a bike and scooter shelter everyday or almost everyday
- ii.) My child would use a bike and scooter shelter once or twice a week
- iii.) My child would use a bike or scooter shelter once every couple of weeks
- iv.) My child would use a bike or scooter shelter every now and again through the year.

**Please return this questionnaire to school to help us make a decision  
Thank you**

**Bricks4Kidz** – will be running half term activities throughout the week in various locations. Packages and further information is available from [www.bricks4kidz.co.uk/westyorkshire](http://www.bricks4kidz.co.uk/westyorkshire) or by contacting [kmoran@bricks4kidz.com](mailto:kmoran@bricks4kidz.com) 07736 298782

**SportsCool** – will be running events from Tuesday 26<sup>th</sup> May – Friday 29<sup>th</sup> May in various locations costing £10 per day. For more information or to book a place please contact Andy Preston on 07921 522175 or Matt Parker on 07764 501092. Places may also be booked via text, stating: Your child's name, age, medical conditions, contact number, course and days attending.
