Dear Parents/Carers,

I am writing to you today to share with you what we know as a school in relation to opening schools in the Autumn Term. Guidance was released yesterday to support schools with this detailed and complex process. It is in the Governments plan that all children, in all year groups, will return to school full time from the beginning of the Autumn term. This will be Tuesday 8th September at Sutton CE. Our first of five training days for staff will be on Monday 7th September.

While this guidance has been released, there are still many questions that need to be answered through further guidance from the Local Authority and through detailed discussions with our Governing Body. This will inevitably take time and want to reiterate how important we feel it is to get information to you in a timely fashion. We want to ensure that when we review and amend our robust risk assessment that we are thorough and systematic in our approach to the above guidance and any additional guidance that comes through to school in the meantime. Please find below the guidance issued from the Government for parents and carers today.

I want to take this opportunity to thank the children for their resilience and positivity and to you, our parents and carers, for your continued patience and support in what truly has been and is an unprecedented situation.

With very best wishes,

Orla Gibbons
