Dear Parents/Carers,

I hope that you and your families are safe and well. I wanted to take this opportunity to share with you our plans for reopening in September. Since the government announced that schools are to re-open in September to all children, we have been working hard to facilitate this and we really appreciate your patience and continued support as we have worked through it.

As we did when we re-opened to more children in June, we, leaders and governors, have written a detailed health and safety risk assessment and FAQ about re-opening which contains all the key information you need to know. Please take the time to read this information carefully as it explains not only how school will work on a day-to-day basis but also how we will be welcoming the children back into school next week.

If you have any questions about the information provided or require any support, please email the school at [admin@sutton-in-cravencofe.n-yorks.sch.uk](mailto:admin@sutton-in-cravencofe.n-yorks.sch.uk).

With very best wishes,

*Orla Gibbons*
