Newsletter 18<sup>th</sup> October 2019

Dear Parents and Carers,

It has been lovely to meet you and your children over the past two weeks and I am very much enjoying working with the whole staff team at Sutton. Thank you to everyone who has spared the time to either come in and see me or give me a smile in the playground or at our Harvest Festival - it is very much appreciated!

Working with the staff this term, we are keen to build the children's resilience and independence as these are skills we all need in life. Everyone wants to give in sometimes but it is the courage to persevere, even when it is difficult, that builds resilience and helps us get closer to our goals. It is so rewarding to see our children amaze themselves with how much they can achieve when they really try and they can be justifiably proud of all their achievements.

Sport is a fantastic way of building resilience and teamwork and we are extremely proud of the children's achievements in both the Cross Country and Football inter-school competitions. I have certainly seen some great football happening in the playground.

I know we are racing towards half-term and I hope you are able to relax a little over half-term. Thank you again for your ongoing support of Sutton in Craven C of E school - it is very much appreciated by the whole staff team.

With best wishes,

Sue Marshall  
Executive Headteacher

On Monday 11<sup>th</sup> November at 10:45am we will join together with children and staff from Sutton CP and Glusburn Primary Schools for our annual remembrance service in Sutton Park.

We will be talking about the meaning of Remembrance Sunday in school. Poppies and other items to support the work of the Royal British Legion are available in school after half term.
