Newsletter 28th June 2019

It is hard to believe that there are just three weeks of this academic year remaining. There are lots of events happening over these three weeks so please do check the newsletter and dates list carefully. Thank you to everybody who has returned reply slips for our Father Day event next Wednesday and Praise in the Park. A letter has been sent home with all Key Stage 2 children regarding tickets for their production of Joseph – please check book bags carefully.

On Tuesday 2nd July, all children will, after registration, spend the morning in their new classes. Following confirmation of our Early Years intake for September and other movement of children in and out of school, we have amended the class structure slightly – all Year 1 children will be in Blossom class in September. We have also confirmed our staffing for September and are delighted to share this with you:

Summer Fair – Thursday 4th July (after school)

It is not too late to volunteer! If you are able to help at the summer fair, please do come to reception and fill one of the gaps on our stalls.

The support of the pupil-parent council is invaluable to the school, however events such as these can only run with your help. If you aren't able to help this time, please do consider joining the pupil-parent council in the new academic year

Thank you to everybody who supported our non-uniform day – we have a lovely range of bottles for our bottle tombola.

If anybody is able to provide baking for our refreshment stall this would be very much appreciated.

Churchyard

A concern has been raised with us regarding children from school running through the church grounds and cemetery at the end of school. Many local residents have family members buried in the churchyard and it would be upsetting for a grave to be unintentionally damaged by children running through this area. Thank you for your support.

Year 1/2 Mini-Olympics

On Wednesday this week a group of our Year 1/2 children took part in a mini-olympics competition at South Craven school. We had two teams taking part and I know that both Miss Margetson and Mrs Harrison were very impressed with how all children put in 100% effort. This certainly paid off as one of our teams won the event – congratulations to them!

Pinnacle Walk

On Tuesday 16th July we will be holding our annual walk. This involves the whole school walking up to Lund's Tower (Sutton Pinnacle) then back to school. Details will follow closer to the time.

We also welcome any volunteers who might wish to join us. In previous years a number of parents and grandparents have walked with us which has been lovely.

Please let Mrs Hayton or Mrs Chacksfield know if you are able to accompany us.

DIARY DATES FOR SUMMER TERM

We try our hardest to provide as much advance notice of events as possible in order to support all our parents. This term is definitely one of the busiest in school and there are lots of events going on – we have updated the list of diary dates ([new dates in blue](#)), please check carefully.
