Sutton in Craven C.E (V.C) Primary School

Admission Policy 2019 – 2020

Section 1: Admission to Reception

Parents of children starting Primary School in North Yorkshire are asked to complete a form stating their preferred school, this can be found at: <http://www.northyorks.gov.uk/index.aspx?articleid=15323>

When the School's PAN (published admission number), currently set at 15 for 2021-2022 has been reached, requests for the admission of children in Reception Year are granted by the Local Education Authority, using the over-subscription criteria below. The Governing Body of the school has adopted the Local Authority Admissions Policy.

All governing bodies are required by Section 324 of the Education Act 1996 or the Children's and Families Act 2014 to admit to the school a child with an education, health and care plan (EHCP), formerly a statement of special needs (SEN), which names the school. This is not an oversubscription criterion and relates only to children who have undergone statutory assessment and for whom an EHCP has been issued. If a school is oversubscribed after the admission of children with an EHCP the following criteria will apply for North Yorkshire schools.

Order of Priority	Notes:
<p>Priority Group 1:</p> <p>Looked after children and all previously looked after children for whom the school has been expressed as a preference.</p> <p>Previously looked after children are children who were looked after, but ceased to be so because they were adopted¹ or became subject to a child arrangement order² or special guardianship order.</p>	<p><i>This applies to all looked-after children, including those who are in the care of another local authority or being provided with accommodation by a local authority in the exercise of their social services function at the time of making an application.</i></p> <p><i>In the case of previously looked after children, a copy of the relevant documentation will be required in support of the application.</i></p> <ol style="list-style-type: none"> <i>1. This includes children who were adopted under the Adoption Act 1976 and Children who were adopted under the Adopted & Children's Act 2002.</i> <i>2. Child Arrangement Orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a Child Arrangement Order.</i>
<p>Priority Group 2 :</p> <p>Children who appear to the Admissions Authority to have been in state care outside of England and cease to be in state care as a result of being adopted.</p>	<p><i>A child is regarded as being in state care outside of England if they were accommodated by a public authority, a religious organisation or any another provider of care whose sole purpose is to benefit society.</i></p>

Admission Policy 2019 – 2020

<p>Priority Group 3:</p> <p>Children the Authority considers have special social or medical reasons for admission.</p>	<p><i>We will only consider applications on social or medical grounds if they are supported by a professional recommendation from a doctor, social worker, or other appropriate professional.</i></p> <p><i>The supporting evidence should set out the particular social or medical reason(s) why the school in question is the most suitable school and the difficulties that would be caused if the child had to attend another school.</i></p> <p><i>Panels of professionally qualified people will consider all applications made under priority group 2.</i></p>
<p>Priority Group 4 :</p> <p>Children living within the normal area of the school.</p>	
<p>Priority Group 5:</p> <p>Children living outside the normal area of the school.</p>	

Children in higher numbered priority groups will be offered places ahead of those in lower numbered priority groups. All applications within each priority group will be considered equally (i.e. all applications, regardless of order of preference).

Tie break:

If there are not enough places for all the children in one of these priority groups, we will give priority first to those with a sibling at the school in September 2020 (in all cases sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent / carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling) and then to those living nearest the school.

If within a priority group there are not enough places for all those with a sibling at the school in September 2020, we will give priority to those children with a sibling living nearest the school.

All distance measurements are based on the nearest route recognised by the County Councils electronic mapping system from a child's home address to school. The measurement is made from a fixed point within the dwelling, as identified by Ordnance Survey, to the nearest school entrance using footpaths and roads. The routes measured to determine the allocation of school places will be those recognised by the electronic mapping system used by the school admissions team.

Admission Policy 2019 – 2020

If the distance tie-break is not sufficient to distinguish between applicants in a particular priority group a random allocation will be used.

RANDOM ALLOCATION PROCEDURE

Random allocations are necessary where:

1. There is more than one applicant ranked equally according to the published admission rules and there are insufficient places available to allocate all of the equally ranked applicants
2. This occurs where applicants are equidistant from a school because the usual method of measuring distance to the school results in two unrelated applicants having the same distance measurement. Each random allocation event only holds for the allocation of the currently available school place. On any waiting list the remaining applicants remain equally ranked and any further place is offered as the result of a further random exercise. In making a random allocation it is important that there is scrutiny from a person who is not involved in the allocation process.

DEFINITION OF ROLES

Independent Scrutineer (IS) – this is a person who ensures the process is carried out in a correct and transparent way. The IS must be independent of the school for which the allocation is to be made and also must be independent of the Council's Admissions and Transport team.

Admissions Officer (AO) – this is an officer from the Council's Admissions and Transport team who is responsible for carrying out the administration of the random allocation procedure and recording the results, under the scrutiny of the IS.

Person who makes the draw (P) – this must be a person independent of the school for which the allocation is to be made and must be a person who is not part of the Council's Admissions and Transport team.

PROCESS TO BE FOLLOWED – N.B. This entire process is to be carried out in sight of, and under the scrutiny of, the IS

1. The AO allocates each pupil to be included in the draw a number and records it on the 'Random Allocation Cross Reference Sheet'. This is placed in a sealed envelope.
2. The AO prepares as many equal sized pieces of white paper as are necessary, which are numbered consecutively.
3. The AO folds each numbered sheet and seals them in identical envelopes, i.e. envelopes with no visibly identifiable differences.
4. The AO shuffles the envelopes and hands them to P who shuffles the envelopes again, picks one envelope and opens it.
5. The AO records the first number drawn on the 'Random Allocation Record sheet'.

Admission Policy 2019 – 2020

6. If more than one place can be offered they continue to draw envelopes and record numbers until all of the available places are allocated.
7. The AO then opens the previously sealed envelope containing the 'Random Allocation cross reference sheet' and records the numbers drawn on the 'Random Allocation cross reference sheet', marking clearly which child(ren) has(have) been allocated a place and which have not.
8. Once the process has been completed, the AO, IS and P should sign and date both the 'Random Allocation Record sheet' and the 'Random Allocation cross reference sheet' in order to certify that the procedure has been carried out correctly.

We may be able to meet your preference for a place at a school that does not serve the local area you live in. In this case, you will normally be responsible for travel arrangements and the costs of your child's travel to and from school.

DEFERRED APPLICATIONS FOR INFANTS

Admission authorities **must** provide for the admission of all children in the September following their fourth birthday.

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

ADMISSION OF CHILDREN OUTSIDE THEIR NORMAL AGE GROUP

The School Admission Code states that 'Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1.'

When such a request is made, the local authority will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the Headteacher and any supporting evidence provided by the parent. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for

being born prematurely. The local authority will notify parents in writing of the outcome of their request setting out the reasons for their decision. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.
