Newsletter 17th September 2021

Flourishing Together, in the love of God, to live life in all its fullness.

A new year, a new beginning, a new hope.

Welcome back to a new school year, we hope you all had a fantastic summer holiday. Children have returned to school with a renewed energy and enthusiasm. All staff have given children very clear high expectations with positive reinforcement resulting in school feeling very calm. Children have settled well into routines and their new school and class structures. Following effective transition in the summer term, staff know the children well already.

The hear singing from the children in the hall has brought tears to our eyes and plenty of goose bumps. Although we are maintaining a cautious approach returning to 'normal' the children and staff are thoroughly enjoying collective worship and lunchtimes in the hall albeit in smaller groups. We hope to continue to return to normal whilst following guidance and our school risk assessment.

We are really looking forward to the coming year with such a positive start. Have a wonderful weekend and let's hope for some sun and warm weather.

With very best wishes,

Mrs Orla Gibbons

Flourishing together

Birch and Oak took a journey back in time with an Anglo Saxon Visitor. They truly got into character and loved the opportunity to become Anglo Saxons for a short time. We hope it will inspire and support their learning this term.

Flourishing together—Maths and Science

P.E. Reminders

Blossom — Monday and Friday

Willow — Tuesday and Friday

Birch — Tuesday and Thursday

Oak — Monday and Friday

Children to come to school in a clearly named P.E. Kit on their allocated P.E. days.

Uniform Reminders

It was lovely to see our children arrive to school looking very smart in their uniform for the beginning of the term. Please remember that children should only wear PE kit on allocated PE days.

Full uniform is required all other days and this includes black shoes and trainers. If you are having any difficulties with uniform, please do not hesitate to get in touch with the school office.

Please clearly name all items of uniform. We thank you for your continued support.

Class and staff structure

Blossom	Class Teacher: Miss Steward (Supply cover for Mrs Davison and Mrs Akroyd) Mrs Jenkins and Mrs Crangle
Willow	Class Teacher: Miss Margetson Mrs Longbottom and Mrs Felgate
Birch	Class Teacher: Mrs Campbell and Mrs Rothwell Miss Lindley and Mrs Hartley
Oak	Mrs Harrison Mrs McLaren
PPA	Mrs Williamson

Building Update

As you can probably see, our wonderful new hygiene room is not yet complete. I would like to take this opportunity to share with you the reasons why this project is still ongoing. Unfortunately the ground survey resulted in structural engineers becoming involved and designing a new foundation for the building. This inevitably has caused huge delays over the summer holidays.

Hooray!! The builders are now back on site and making good progress. We hope that they will complete the project as soon as is possible, however as you will be well aware the sourcing and delivering of materials is something we also need to consider due to the COVID pandemic.

I will continue to keep you informed with progress reports over the coming weeks. The children, however have loved finding out all about foundations and insulation and their questions to the builder have been very impressive! Every opportunity is a learning opportunity.

Parent/Carer emails and Forms

To ensure that we have the correct information held in school we will be sending out new contact forms. We need ALL families to fully complete these and return to school by the allocated date. These forms will include; permissions, contact information and medical information. If you are new to school you will have already received these, please return them as soon as possible.

We are currently awaiting NYCC Schools ICT to reallocate parents and carers to their new class emails. As soon as this task is completed we will send out further confirmation of how these will be used alongside other systems to ensure school is communicating as effectively as possible.

Working together , in partnership for the best interests of all our children, is imperative to ensure our school community flourishes together.

Diary Dates

- September** 6th Whole School Training Day
7th Return to school for all
