

For our children, the most wonderful time of the year is approaching...

The '*Christmas Room*'.

The 'Christmas Room' is a wonderful, much-loved, child-only room where the children can come and choose a gift for an adult relative or two, wrap them and write a gift tag in complete SECRET!! They take it home, ready for Christmas day. This encourages the experience of joys of giving as well as receiving.

This will take place on **Wednesday 15th December**, the last week of school's term. All we ask is that the children bring £1 per gift for one or two gifts (although no child will miss out) to cover our expenses, and any monies left over will go into the Sutton CE Pupil-Parent-Council fund.

The Christmas Room has been a great success in the past due to the huge generosity of you, our families who have donated a variety gifts for our children to 'shop' from. Could we ask that you all do it again, please?

What the Christmas Room needs is your imagination and lots of the following:

- * Lovely soaps, shower gels, bubble-baths and other toiletries
- * Stationery – notelets, writing paper, cards
- * Photo frames, mugs, un-read books
- * Jewellery and other sparkly things
- * Chocolates and sweets, and home-made crafts
- * DIY gadgets
- * Socks, gloves, hats, scarves
- * Things for Mums and Dads
- * Anything, in fact, as long as it is in date, clean and unused!

We would also welcome donations of gift tags.

Let's try and make it another wonderful experience for our children.

All donations welcomed – as soon as you can, please!
