

Dear Parents and Carers

Can you help us kit out our new playground?

As you may be aware we have just had some building works completed at school and we're now left with a blank canvas playground which we want to turn into a fun, engaging and educational space for our Reception and Year 1 children to enjoy and learn in for years to come.

As part of our EYFS ethos, we are looking for more natural materials to be used in line with our Reggio Emilio based approach to learning within the early years. We were thinking mud kitchens, a grassed and tunnel area and an outdoor music space etc. But, we have very little budget to make this happen, which is why we're asking you to support us in any way you can so we can get the best playground possible.

So, if you have anything which you think would be suitable for us to repurpose, happen to have a tonne of top soil, or you'd like to make a donation of time or money (or you know someone who could help us), please get in touch! Any ideas or donations will be gratefully received and I'm sure the children will reap the benefits of their new playground for many years.

Please have a look at a few of our ideas.
