Newsletter 17th June 2022

Flourishing Together, in the love of God, to live life in all its fullness.

A note from the Headteacher

It has been a very busy couple of weeks back following half term. The children have had many different visitors into school; Ofsted, our governors, puppetry workshop, a virtual Ant and Dec as part of the NSPCC online assembly, our Local PCSO and Road Safety Officer and Year 4 have had two full afternoon visits from CORAM Shakespeare.

Alongside all our visitors, the children have continued on their learning journey with Birch and Oak focusing on The Mayans, whilst Willow are learning all about Charles Darwin and Blossom are learning about Captain Cook as part of their Explorers Topic. Year 5 and 6 have already begun rehearsals for the school's end of year production—Bugsy Malone! We are all very excited to be the audience to this.

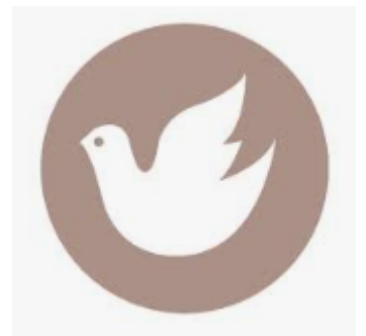

On Monday we had full day focusing on the NSPCC Childhood day led by Mrs Campbell —where as a school we focused on having fun and continuing to learn about how to keep safe. In addition to this, Mrs Harrison led our half termly online safety assembly on 'Online Relationships' This is a focus for all class across school for the last half term of this year and each week children will explore what an online relationships is, what makes it safe and what to do if they are worried.

Our collective worship Value that we are exploring and reflecting upon is PEACE. Please have a look and work through the home values sheet to support your child on their spiritual journey through the half term.

As we look forward to the third week of the half term, I would like to wish you all a fantastic weekend and we hope to see you all at Sutton Park on Sunday for the Funday!

With very best wishes

Orla Gibbons

Medication

If your child is on any new medication, please come to the school office to complete permissions for the medicine to be taken in school. All medications need to be kept in the school office (unless it needs to be refrigerated or needs to be stored in the classroom) All medications taken in school must be prescribed by the doctor and have a clearly written prescription label.

Playtime Snacks

We encourage all children to have a snack at playtime to keep their energy levels up. Our Reception and KS1 children are given a piece of fruit/vegetable which is funded by the Government. KS2 children need to bring their own healthy snack. Appropriate snacks for playtime include: fruit, vegetables, cheese, etc.

No chocolate, sweets, biscuits and crisps please.

NO PRODUCTS CONTAINING NUTS PLEASE

Flourishing together

NSPCC Childhood Day, our safeguarding day

On Monday we took part in the NSPCC's Childhood Day. It brought everyone in school together for an hour long BIG Breaktime. Children and staff had fun participating in a great range of activities; sports and games on the play ground, arts and crafts, imaginative and creative play, board games, mindfulness colouring or watching a film. The children got to choose two of these activities to participate in during this hour.

Check out our photos below!

As part of the day, all our children took part in the **NSPCC's *Speak out. Stay safe.* online programme**. This consisted of an online assembly and supporting classroom-based activities. *Speak out. Stay safe.* is a safeguarding programme available to all primary schools in the UK and Channel Islands. It aims to help children understand abuse in all its forms and to recognise the signs of abuse in a child friendly way. Children are taught to speak out if they are worried, either to a trusted adult or Childline. In the online assembly, the *Speak out. Stay safe.* messages are delivered in a fun and interactive way with the help of their mascot Buddy as well as special guest appearances from Ant and Dec.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services like Childline, which is always there for children and young people, whatever their worry. **Our children and staff came to school dressed in something green. If you would still like to donate, please do so through parent pay.**

Sun Protection Guidance

As the warm weather is now upon us, I would like to remind parents/carers of our sun protection guidance. Ideally, please apply sun cream to your child before they come to school on hot days. The long lasting protection types are recommended. However, if your child is prone to burning and you feel they may need an additional application you may send in a labelled bottle of sun cream, which your child should give to their teacher. Your child will be able to apply the cream themselves when needed (usually just before lunchtime) under the supervision of a classroom staff member and younger children may require some assistance with this. It is also advisable to provide your child with a sun hat/cap on hot days and we will encourage children to sit in the shade as required at breaktimes and to drink plenty of water. This is especially important for our Reception children as our indoor and outdoor provision is free flow throughout the day.

Ofsted visit

We would like to take this opportunity to say a huge thank you for all your valuable contributions and feedback during our recent inspection. As with every Ofsted inspection, the official information is shared with both school, parents/carers and the wider community 30 days following the inspection day. As soon as we have this information, we will share this with you.

Flourishing together—Sutton Fun Day

Thank you everyone for your generous donations of chocolate for our School's chocolate tombola for Sutton Fun Day this Sunday 19th June from 12 noon—6pm

We would love to see you there supporting our school, raising funds to further develop our library with a range of books celebrating different cultures and authors.

Please tell your friends and family to come and buy some tickets. You've got to be in it to win it!
