Flourishing Together, in the love of God, to live life in all its fullness.

## A note from the Headteacher

Happy half term holidays—I am really hoping that the sun shines on us all as we prepare for our last half term of the school year. It has gone very quickly.

It has been a very busy half term; Trips, Year 6 residential, Jubilee baking, designing and making Jubilee Clay coins, biography writing, poetry writing with a focus on personification, parent and carer evenings, Class family meals, Key Stage 2 SATs, Key Stage 1 SATs, author zoom visits, sports tournaments and a science event at South Craven and our tadpoles have turned into froglets!! Children are more than happy to share their learning experiences with visitors to school, subject leaders monitoring their subjects and governors—they are very proud and show such enthusiasm when discussing what they have been learning.

We are really looking forward to all the learning and events taking place during the last half term from sports day to productions from our Year 4, 5 and 6 to Year 6 leaver's service to the landings of our curriculum topics. The children will continue their sequenced learning ensuring they flourish and ready for the next step along their journey.

I would like to take this opportunity to say a huge thank you to the staff for their continued dedication and commitment, always striving to ensure the best possible learning opportunities and experiences for our children, to our children for demonstrating our values of love, courage and peace each and every day and to you, our parents and carers for your continued support and honest feedback.

I hope you all have a wonderful half term celebrating the Queen's Jubilee with family and friends whatever that may look like.

With very best wishes

*Orla*

## Medication

If your child is on any new medication, please come to the school office to complete permissions for the medicine to be taken in school. All medications need to be kept in the school office (unless it needs to be refrigerated or needs to be stored in the classroom) All medications taken in school must be prescribed by the doctor and have a clearly written prescription label.

## New Summer Term P.E. Days

Blossom — Tues and Fri  
Willow — Tues and Fri  
Birch — Mon and Fri  
Oak — Thurs and Fri  
(swimming)

Children to come to school in a clearly named P.E. Kit on their allocated P.E. days only

## Some gentle reminders

We have noticed that there are an increased number of children beginning to wear trainers on non P.E. days—trainers should only be worn on P.E. days and school shoes should be worn the rest of the time.

For Health and Safety reasons, earrings are not permitted to be worn during P.E. and all long hair must be tied back. We thank you for your continued support with this.

### Events to Celebrate the Queen's Platinum Jubilee

Sunday 5<sup>th</sup> June

## Come Dine with Us—Class Family meals

I cannot thank you enough for making our family meals a huge success. It was lovely to see so many of you, our parents and carers in school enjoying a special part of our day. Mrs South was blown away by your lovely comments and words of thanks. We will be having more family meals in the future. We served more meals than ever before to our children that week, one day there was over 100 meals!! We really hope you enjoyed your meal and the time in school as much as we did. Thank you.

## Flourishing together—Year 6 residential to Boggle Hole

**“Crabbing was the best bit along with fossil hunting. It was fun looking for crabs.” Ted**

**“It was great fun going on the beach as there was lots to do.” Eva**

**“We didn’t have any school work to do and it was nice to have a break.”  
Lola**

**“Fossil hunting was my favourite, I like collecting rocks, they are cool.” Louis.**
