Newsletter 1st July 2022

Flourishing Together, in the love of God, to live life in all its fullness.

## A note from the Headteacher

It has been a very busy couple of weeks, with children and staff continuing to flourish together. Walking around school, the children are still showing true determination and enthusiasm towards their learning even though we are coming towards the end of the academic year.

Blossom have been gardening, watering and looking after their plants. The children have also been practising their directional language using beebots and learning all about shape in Maths.

Willow have been very busy creating habitats putting their computing, reading and research skills to the test producing some wonderful 3D habitats.

Year 4 have been rehearsing for the Coram Shakespeare Production demonstrating true courage and understanding of what it means to perform on front of an audience. They have been working very hard on getting the opening right for the final show!

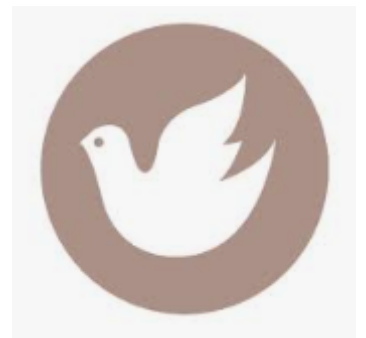

Year 5 and Year 6 have been singing, dancing and acting, rehearsing for the end of year production of 'Bugsy Malone' They are all very good at learning and reading their lines and are working on being more confident with performing on front of a larger audience. We know that they will be brilliant and we are really looking forward to seeing it live.

It is hard to believe that there are only three weeks left of this academic year but we have lots of activities and events planned to ensure we end in true style and celebration for all the effort, learning and support our school community give to each other.

Have a wonderful weekend and look forward to seeing you all on Monday.

With very best wishes

*Orla*

## Medication—Very Important

All medications taken in school must be prescribed by the doctor and have a clearly written prescription label and a written consent form.

Children **must not** carry any medicines either in their bags or in their pockets.

Tue 19th July, 09:10-10:20—End of Year SPAG Quiz  
Monday 11th July, 09:15-11:00— Science DT Workshop

## Sun Protection Guidance

As the warm weather is now upon us, I would like to remind parents/carers of our sun protection guidance. Ideally, please apply sun cream to your child before they come to school on hot days. The long lasting protection types are recommended. However, if your child is prone to burning and you feel they may need an additional application you may send in a labelled bottle of sun cream, which your child should give to their teacher. Your child will be able to apply the cream themselves when needed (usually just before lunchtime) under the supervision of a classroom staff member and younger children may require some assistance with this. It is also advisable to provide your child with a sun hat/cap on hot days and we will encourage children to sit in the shade as required at breaktimes and to drink plenty of water. This is especially important for our Reception children as our indoor and outdoor provision is free flow throughout the day.

What's on this week!  
W.B 4.7.22

Every Night includes Snack, outdoor play and other activities. 3 times a week A story in the Library  
Book Now on school comms
