### **Consents**

Thank you very much for completing the new consents and requests for information and updates. Please complete these if you have not done so already. It is vital that we keep all information as up to date as possible. We appreciate your time on this, thank you.

### **Roadworks**

There are some road works happening outside of school and the footpath on the school side near St Thomas' Church is closed. Please be mindful of this. There are also some parking restrictions on both sides of the road.

We have to work collectively to keep our children and school community safe and would like to reiterate the importance of using the pedestrian crossing directly outside of school when crossing the road. With these added obstacles, it is even more important. We would like to thank you for your continued support with this, thank you.

We are very excited to see the children and get started with learning straightaway. The staff are all ready to go and looking forward to seeing you in the morning.

If you have any questions, please do not hesitate to get in touch with the school office.

With very best wishes,

*Orla Gibbons*
