8th November 2022

Dear Parents and Carers

We are very excited to tell you that Year 6 will be taking part in Young Voices 2023. This is a nationwide event for primary school children that takes place in venues across the country. We will be attending the concert on Thursday 9th February at Sheffield Arena. We will be learning a wide range of songs prior to the event that we will then sing alongside 9,000 other children on the night. The videos in the weblink below will give an idea of what it is like to perform at such an event: [Young Voices - For Children](#)

On the day we will leave school at around 11 am, this allows us to arrive at Sheffield arena in time to begin rehearsals. The concert will begin at 7 pm and will end at around 8.45 pm. We will then return to school. The time of arrival back at school will be confirmed nearer the time. The children will need to bring a packed lunch and a packed tea as well as a range of snacks and drinks to keep them going through the day. Children will need to wear plain black or grey trousers or skirt with a white t-shirt or top (Young Voice ask for this to be plain white without any logos, including school logos, if possible). More details will be sent in the new year.

We have not yet finalised the cost of the visit however we are hoping to keep the cost to around £35. In the meantime, we would like to offer the option for parents/ carers to purchase tickets to watch the concert on the night, they are priced at £23 per ticket. This is completely optional and there is absolutely no expectation for parents to attend, however if you wish to do this, please pay for tickets via parent pay by Wednesday 16th November. We will not be able to purchase parent/ carer tickets after this point and we can only purchase tickets if payment has been made on parent pay. Please note that we are not able to provide transport to the venue for parents/ carers.

We truly believe this to be a valuable experience for Year 6 and cannot wait to take part.

Best Wishes

Mrs Campbell & Miss McGeoch
