Newsletter 11th November 2022

Flourishing Together, in the love of God, to live life in all its fullness.

Headteacher update

It is hard to believe we are already two full weeks into the second half of the term. Our children have had so many fantastic opportunities to flourish and learn.

Blossom have been on a trip to Skipton on the bus, they had a great time. Oak class have been very busy practicing their sewing skills building up their resilience when something is a little tricky. Willow class have been jamming to some rock music whilst practicing their times tables as well as working on their addition and subtraction skills. Birch class have been learning all about the stone age focusing on their history skills.

A huge thank you to you all for very successful parent and carer evenings. The staff really valued this time to share your child's/children's learning and progress so far this academic year. Our next parent and carer evenings will be early in the summer term. Please do not hesitate to speak to a member of staff if you have any queries or concerns at any point during the school year. If you have not managed to speak to your child's/children's class teacher/s, please ring or email the school office to make an appointment as soon as possible.

The children and the staff enjoyed dressing up as Rock Stars last week to launch Times Tables Rock Stars (TTRS). There were some amazing costumes and make up. Thank you for your support. The staff enjoyed jamming and rocking out in front of the children - maybe a little too much!! Children from year 2 upwards will all have their TTRS login details stuck in their planners to be able to access the app at home to practice their times tables. We hope that this has a really positive impact on the children's times tables knowledge.

Yesterday, two of our children took part in North Yorkshire's Cross Country Primary Schools' Championships. We are extremely proud of Iris and Lily C who did their very best in their respective races. Well done for such an amazing achievement!!

Next week, We have a really busy week; we are looking forward to recognising World Diabetes Day with an assembly from our Local Diabetic Nursing Team and one of our children. We will be celebrating and exploring Friendship during what is Anti Bullying Week, Oak class will be having their class assembly on Wednesday and we will also be celebrating Children in Need next Friday.

Have a wonderful weekend with family and friends.

With very best wishes,

Orla Gibbons

Star of the Week: Henry P (Oak Class)

Most Improved Class of the Week: Oak Class

NOTICES

ParentPay

Swimming for Birch and Oak for 2023 is now live on Parentpay.

We know that it is currently an extremely difficult time for families financially. We would like to give parents and carers as much notice as possible. We hope this will help and support you to pay over time.

Swimming is statutory and our children in Key stage 2 must attend. All our trips are intrinsically linked to our curriculum therefore enriching the curriculum experience for all children.

More details for trips and enrichment activities will be provided nearer the time.

Nail Varnish and Earrings

A number of children are coming to school wearing nail polish. Nail varnish is not part of the school uniform. Please ensure your children do not come to school wearing it.

If earrings must be worn they need to be studs due to safety reasons. During PE they either need to be taped up or removed for the lesson.

Thank you for your continued support with this.

48 Hour rule—Reminder

We would like to remind Parents and Carers of our strict 48 hour rule for absences linked to sickness and/or diarrhoea. Your child must not be in school until they have had a full 48 hours clear of any symptoms to help us avoid passing on these germs. Please support us in reducing the severity of these bugs by adhering to the 48 hour rule and keeping your child at home if they are showing symptoms or have episodes of sickness and/or diarrhoea.

What's happening next.....

reminder of dates for your diary over the next two weeks

Monday 14th Nov	World Diabetes Day PTA Meeting @ 7pm
Wed 16th Nov	Oak Class Assembly @ 2:30pm. Parents and Carers are welcome to join us at 2:25pm
