Flourishing Together, in the love of God, to live life in all its fullness.

Headteacher update

It always amazes me that the school year goes by so quickly – it is hard to believe that we are already in March, over half way through the school year.

Thank you to those who have sent through feedback in regards to our consultation for a Sutton CE School Nursery, your thoughts are very important to us. If you haven't had a chance to send anything through, please do not hesitate to send an email to the school office, admin@sutton-in-cravencofe.n-yorks.sch.uk

The children have really excelled themselves over the last couple of weeks, from making masks with hairdryers to creating a full city in the construction area, to working collaboratively showing true teamwork whilst playing basketball – it has been a joy to watch our children continue to flourish.

I am very proud of Willow class for their performance during their class assembly – they did an amazing job – speaking and reading fluently, shared their learning with pride and sang beautifully with confidence. It was also lovely to use St Thomas' and see so many of you there, your support is really appreciated.

I wanted to say, it is lovely to see the warmer brighter weather arrive but as I write this message I am looking at the rain. Let's hope it improves and you can all enjoy the outdoors this weekend!

With very best wishes,

Orla Gibbons
