Headteacher update

Welcome back to what will be our last term of this academic year. The sun is shining, the children have returned ready to learn and we are all looking forward to the learning adventures we have planned for this term.

Our Christian Value for this half term is respect. We are learning about the importance of treating others with respect even if we sometimes do not agree with the way they behave or the things they say. We have also begun thinking about how we should treat the things that belong to us and to other people respectfully. We will explore the value of respect in many different ways as we journey through this half term. Please see the attached home school values sheet to support your work on Respect at home with your child/ren.

Affirmations – This term we have introduced an affirmation of the week linked to our MyHappyMinds work to support the children in increasing their self worth, self confidence and pride in themselves. This week's affirmation is: 'WE GIVE EVERYTHING A GO.'

Parent and carer evenings – Thank you for your continued support with these consultations, they are very important in ensuring we are all working together to ensure your child/children flourish throughout their journey with us at Sutton CE. As a staff, we are continually seeking ways to develop our communication with parents and carers further and the quality of our consultations. We would be very grateful if you could take a moment to provide brief feedback on the parent/carers consultation you have just experienced and the information that was shared with you. The feedback sheets will be handed out and should be in book bags today. There are also spare copies in the office if needed.

I would like to wish you all a wonderful, sunny (hopefully!) weekend with family and friends.

With very best wishes,

Orla Gibbons

Headteacher

NOTICES

myHappymind is all based around helping children to understand how their brain works and to support them in developing positive skills and habits to be their very best selves! myHappymind is delivered in school by our staff through a series of interactive lessons and then the children apply these learnings throughout the day. To further embed this learning and ensure that you are able to engage in these topics with your child, myHappymind has developed a set of resources for parents. These resources can be accessed online on your computer, or through an app on your phone. Why not come to one of our workshops next Thursday to find out more

Attendance

As you know attendance and punctuality play a very big and important part in your child's school life. At Sutton CE, we are dedicated to ensuring our children get the best education possible and that means we will do whatever we can to support and assist our families where we can with attendance/punctuality.

We aim to work in partnership with parents and other agencies to strive towards every pupil reaching at least 96% attendance.

Attached to this weeks newsletter email there is a copy of our school attendance policy. Please could you take the time to read through as it details the expectations regarding punctuality, reporting absence, requesting leave of absence during term-time as well as the laws on school attendance.

Requesting leave of absence during term-time must be submitted at least 2 weeks prior to the dates requested (where possible) regardless as to whether you feel it will be authorised or unauthorised. A link to this form is here for ease. This link will also be on the school website shortly too.

Changes to normal pick up arrangements

If there is going to be a different adult picking your child up than normal please pass this information to the school office as soon as possible. If this adult is not known to staff then a password will be requested before your child is handed over.

If your child is in Year 5 or Year 6 permission can be requested to walk home unaccompanied (even if this is just a one-off) by completing the online form link below. Authorisation must be granted from the Headteacher before walking home can commence.

<https://forms.office.com/e/AT0xycDxCE>

Permission is granted by the Headteacher based on a number of points detailed in the online form, including the basis that the children return home first have a "hand over" to a parent/carer and then the decision is made to go to the park from the responsible adult.

Permission is not given by school for children to go to the park, only directly home.

Thank you

Apologies this was missed off our previous newsletter.

Every single child at Sutton CE took home an Easter Egg on Friday 31st March which was kindly donated by

Summer Term 1 - Enrichment After School Club

We are excited to be able to offer a range of new enrichment activities after school. These will start Tuesday 18th April for all children. All activities will run for 1 hour, from 3:20pm till 4:30pm on a 3-week rota. There will be a charge of £5.50 per session.

All places and payments must be booked via school comms or the gateway app to secure a place, please click the relevant option. You do not need to be attending Bobbins after school care to attend the enrichment clubs. These are available for all children each day. The cut off for booking a place for Bobbins or the Enrichment clubs is now 5.30pm the night before.

Bobbins Notices

Please book in via the School Comms app.

If you have any queries or questions in regards to Bobbins, please contact the team using the Bobbins email address directly.
