24th April 2023

Dear Parents and Carers,

Year 6 Residential Update

Our exciting, long awaited Year 6 residential is quickly approaching. This is a hugely important opportunity for our children, not only for their social and emotional development but also in preparation to becoming more independent young adults of the future. It offers them many new and different experiences which they will no doubt remember all of their lives.

At present, we have a very large shortfall of £2,400. We know that given the current climate it is difficult for families to find the amount needed to pay for trips such as these. As a school we simply cannot find this substantial amount of money and do not want to be in a position to consider cancelling this life long trip for our children. We are appealing to families who have not yet paid anything to pay as generously as you can and for others to consider making an additional contribution or top up to what you have already contributed to ensure that this trip can go ahead as planned. These funds are required as soon as possible and every little does help.

Thank you for your continued support and we will be in touch by the end of the week with a financial update. If you have any concerns or queries, please do not hesitate to get in touch with the school office on 01535 632181 or admin@sutton-in-cravencofe.n-yorks.sch.uk

With very best wishes,

Orla Gibbons
